Make Original List

This page can show that table's (user, company and the tables you'd like to add) columns can be shown in this page. Please make settings page and display page.

e.g.

- 1. Add settings to column (user.name, user.email, company.name, company.tel)
 - 1. It can remove or change orders.
 - 2. These columns can be shown in the list.

user.name	user.email	company.name	company.tel
Michael	michael@mail.com	ABC corp.	+1-234-567
